DONNA BELL

GOOD TO BE THE BOSS

I run my own company and I've been very successful. That's because I put in the long hours it takes to do it. I'm not afraid to push my weight around or my boobs into someone's face. This late night, however, this hunk of a man is cleaning up and created a diversion for me. Just what I need to re-focus my mind and body and his cock!

pierced

Since we have access to hundreds of sexy models and thousands of their images, we took it upon ourseleves to notice piercings in the female gender. Yes, you're right, it was a tough job since we had to view so many pictures – up close. But in doing so, we we pulled together this little gallery of piercings for you to enjoy as much as we enjoy bringing it to you....

So lets explore some of the most erogenous areas on the female body that have gone under the piercers needle. May we say that before you or your partner decide to do any of these piercings that you go to a professional qualified to discuss what you desire. Be sure that all topics are covered like minimum age, pain, care, infection, etc. For the sake of sexuality, we'll pass on ear, eyebrow, lip, belly button, back of the neck and any other piercing that we choose not to discuss, but we know that you won't mind because we know why you're reading this magazine. So kick back and enjoy a quick look at piercings...

The nipple can be pierced in any direction, but horizontal piercings are most common, followed by vertical piercings. It is also possible, in some cases, to have one nipple pierced multiple times though the first piercing will need to have healed completely before successive ones are added. In terms of jewelry, the safest type for nipple piercings are implantation steel captive bead rings or steel barbells.

nipples

Nipple piercings are a fun and fascinating form of body art for both men and women. Many people choose to have their nipples pierced because, aside from looking great, piercings can increase nipple sensitivity and enlarge small or inverted nipples. It is possible to get both of your nipples pierced at the same time. This is usually done if the reason for piercing is to increase the size of the nipples; however, many people just find it

easier to go through the healing process for both nipples simultaneously. (In addition, it is often slightly cheaper to have both nipples pierced in one sitting, rather than making two separate appointments.) The two types of nipple piercings are ring piercings and barbell piercings. Barbells are the more popular option, and barbells are best for those involved in contact sports, as they are less likely to be ripped out. (We don;t conside sexual activity to e a contact sport, but others might argue otherwise) The type of piercing you can get will also depend on the size and shape of the nipple, so consult with your piercer before making a final decision. In the end, nipple piercing are fun and attractive and can be quite stinulating to your love life.

labia

Labia piercings are one type of female genital piercing. This piercing can be placed either through the labia minora or the labia majora. They are one of the simpler and more common genital piercings performed on women, and are often pierced in symmetrical pairs. Like all genital piercings, Almost any type of jewelery can be found in labia minora piercings, although rings are the most commonly used jewelry, both as initial jewelry, and on a long-term basis.

hood

A clitoral hood piercing is through the clitoral hood surrounding the clitoris. There are two main types of hood piercing, the vertical clitoral hood piercing and the horizontal clitoral hood piercing. As the name indicates, the difference is in the direction the piercing is oriented in the skin above the clitoris. Neither of these piercings penetrates the clitoris itself. In a vertical hood piercing, the clitoral hood is usually pierced in a manner that causes the jewelry to rest directly on the clitoris, which often enhances sensation. The preference of many adult stars!

A wide variety of body piercing jewelry can be worn in clitoral hood piercings. Barbells, J-bars and other bar-style jewelry are common in vertical hood piercings, and both captive bead rings and barbells are common in horizontal hood piercings. It is not uncommon for the beads of a barbell to be decorative, as is common in navel piercings.

ANGELA WHITE

BOOTY FOR DAYS

I have to admit that I like trying new things and right now I like the thrill of having sex in other people's houses. No, not my boyfriend's house, but maybe his parents. First there is that thrill of getting caught. The fact that there is the possibility of that happening is enough to get my adrenaline pumping! But what really gets pumping is his big hard cock in my ass. After all, you don't fuck in your same old bed at home every time. Now do you?

ADDICTED TO LINGERIE

I've been known to be a bit of a fanatic when it comes to lingerie. I must have over 60 different outfits. I subscribe to 20 different catalogs, and once spent $500 on a teddy. Actually, I didn't spend it, the guy I was with thought I would look good in it, and he was right! Oh, none have panties!

girls will be girls even if one is married

I initially met Devin a couple years ago at a company retreat at Grand Junction, Colorado. She had only been with the us for a month and was a little scared at her new job. But she quickly fit into R&D and just recently got a promotion. At only twenty-three. I came to learn that she was a bit of a 'wunderkind' in high school and college. Last month she got married and there was a little office party for her. Her new husband worked in sales for one of our suppliers. That's how they met. He'd bring by new products and show them. Devin was in charge of buying lab supplies for us, so she would meet with him every time he came in. They courted for almost a year and finally tied the knot. I'm in another department and didn't really know her that well, so I didn't go to the wedding. I heard it was nice.

It turns out that they purchased a large townhouse in the same complex I live it. I didn't know this until I saw her one day at the clubroom. She was setting up a small party to watch the playoffs. I happened to be walking through to go to the workout room. She was in a short blue summer dress that showed off her long legs. It also framed her bust nicely and I noticed how full it was. At the office, the clothes we must wear are not very flattering and she's often in a lab coat. She looked so hot today. I had a crush on her right away. We would pass each other in the hallways at the office and even had some joint meetings, but everything was strictly on a professional level. But that didn't stop us from giving welcoming smiles to each other every time we ran into each other. She mentioned that her husband was away for a couple weeks on calls to Atlanta and so she invited some friends to come by and watch the games with her, hinting that she didn't like being alone.

She invited me to come. The games were on Friday, Saturday and Sunday, and she had reserved the clubroom from four until ten for those three days. I said I'd love to, even thought I wasn't a big basketball fan. She said she wasn't either, but she wanted to show her husband that she had an interest in them since he was such a big fan. He even wrangled some tickets to one of the-playoff games while he was there. We talked for a few more minutes and I headed off to do my workout, telling her, I'd love to come and maybe I could even help her set up, if she needed some. She smiled at me and shook my hand. Then she went on with her setup.

The next day I went to the clubhouse at three, a little before her guests were to arrive. She said that were going to be as much as an hour late so we spoke about our jobs, life, men, etc. She asked me if I had a boyfriend since I wasn't wearing a wedding ring. I told her that I didn't, that I was gay and she seemed surprised. But she didn't have any apprehensions, giving me an approving smile. I could sense a curiosity in her smile and a twinkle in her eyes. We smiled and continued talking. After a few more minutes, her smile turned sensual and I felt like she was looking at me differently. Soon, my sexuality was the topic she often bought up. Every time she did, I could see that she was enjoying it. Then, in a hushed voice, she revealed that she had 'experimented' in college. You know... 'gay-for-a-day.'

Soon, my sexuality was the topic she often bought up. Every time she did, I could see that she was enjoying it. Then, in a hushed voice, she revealed that she had 'experimented' in college.

The guests started to arrive around 4:30, and by 5 they were all there. Three couples, Devin and me. We watched the games and ate and drank, and two of the three teams we wanted, won. The party ended as the last game clock wound down and the players were being interviewed. She gave me a big hug for helping and I could feel her full breasts against me. Devin and I cleaned up a little and headed back to our homes about 10 that first night. It had been a great evening, and all I could do was think of her as I laid exhausted in my bed.

The next day was Saturday and the games started a little earlier. The same couples came and by now, we were all pretty boisterous. Today, the games ended about eight and the mess was a little bigger. Again, I stayed and helped her tidy up and realized that I was getting more attracted to her. But she was married and her experimenting days were behind her. So I tried to keep it as friendly as possible. Besides, I was sure that some of the curiosity and interest she showed in me was because of my gayness. But deep down, I felt that she might be drawn to me too. We walked back to our homes that night and shared a long hug as our paths diverged.

Sunday came around and only two of the three couples showed up. While the games were exciting, we were all losing interest and after the second game, the two couples went home. Devin and I cleaned up once again, but this time it was easy. I held a big trash bag open and she slid all the garbage into it and we were done in a half hour. Since it was still early, Devin invited me to her home for a glass of wine. Initially I refused because we had work the next day, but she sweet talked me into it. Her townhouse was a little larger than mine and very nicely decorated. I saw a little of each of them in the furnishings. She went into the kitchen while I sat on the sofa and kicked back.

She returned with two glasses of a nice pinot grigio. I was very sure that she was checking my body as I saw her eyes moving up and down. She sat down next to me and we spoke about the games, the couples and other things. She told me that while her husband was away she appreciated me being around and keeping her company. I was listening intently and didn't not realize that the glass was slipping from my fingers. It fell on my blouse and down my skirt. Apologizing for my clumsiness, she showed me to her bathroom. I took off my top and skirt and saw the yellowish liquid all over my me. It glistened on my wet breasts, belly and smooth thighs.

When Devin knocked on the door, it opened slightly. She showed me a towel through the small opening. I took it, and in doing so, the door opened wider and I laughed and apologized again. She told me not to worry and she took a step into the bathroom. As she walked in, I could see her looking at me with a yearning in her eyes. She put a second towel on the sink and began to leave the bathroom. Then she turned around and walked back towards me with hesitation. I could see that she was trembling a little. She stood in front of me and looked at me. I didn't know what to do and just stood there in my wine soaked undies.

I could see that she was trembling a little. She stood in front of me and looked at me. I didn't know what to do and just stood there in my wine soaked undies.

Devin touched my neck and drew herself in closer. Then she ran a finger all over my neck and chest. Then she put her arm around me and pulled me in to her gently and kissed me. After a few seconds, she let go and looked at me with a confused but expectant expression. I could tell through her eyes that she wanted me and hoped I would give myself to her. I kissed her back. We kissed deeply. After a short moment, we let go. She put her arms around my waist and pulled me closer. I looked at her with a little concern and asked if she was sure she wanted this. Without an answer, she kissed my neck and told me she did. She looked into my eyes and slid her thumbs inside my panty and ran them around the elastic. I could feel her thumbs brushing against my mound and my butt.

I looked at her and smiled. She slowly pushed me towards the sink counter and made me sit on it. It was obvious she wanted to be in control, and I liked being controlled.

Her hands were warm and I could feel them caressing my shoulders. Our eyes and lips were finally at the same level. Then she kissed my neck and started going down. When she reached my cleavage, she pulled down my bra a little and kissed me between my breasts. Then she started licking the remaining wine drops off my boobs, undoing my bra as she did. She leaned down a little more and kissed my breasts and then over to my nipples.

She began sucking on them and I moaned softly and encouragingly as her tongue swirled around them. She continued to suck, kiss and gently bite. All I could do was to enjoy. Then she got on her knees and licked my leg and I played with her hair. She traced the trickle of wine from my thighs as she sucked and then bit me on her way up. I lightly shrieked and she hesitated. She knew that I liked it. I love it when sexy women nibble on me.

Her head reached between my legs and she continued to bite and suck. Finally, she kissed my pussy over my wet panty. Then she got up and pulled my panty down. I squirmed on the sink counter and she straightened up, took my hand and guided me to her guest bedroom. She told me to lie down and made me watch her undress. I tried to lend a hand but she gently pushed me back. Naked, she got in between my legs and we kissed. She held my hands apart and kissed my breasts as she slowly rubbed her pussy against mine.

It seemed like forever until she put her finger inside. Those fingers were working inside me like little orgasm machines, pumping in and out like pistons. While she did this, she licked and sucked my clit. I came hard and she liked it. She gave me a few moments and then got back to work. She spread my legs and held my thighs and started eating me again. I held her hair and pulled on it every time I shuddered.

She would spank my hips and butt when I raised it, leaving red spark marks across the area. It stirred my pelvis with electricity. When I told her that I was about to cum – she stopped. She made me get on my knees and made me lean my chest on the pillows. She kissed my nape and worked her way down my back. When she reached my ass, she again nibbled it. Then she spanked my ass, first gently, and then a little harder, and then harder still. She licked my cheeks, my crack and kissed my starry rosebud.

She gently tongued inside my butt hole using her spit as lube. Then she slid her finger into it. At first it hurt, but slowly she loosened me up and kept fingering me at a steady pace while she continued to mouth my pussy and finger it with her other hand. It was so good that I began to moan loudly. Harder and faster her hands and mouth worked, especially inside my ass. The sensation was different, the feelings were new and pleasurable. She was building me up to a big climax and I did not want to hold back.

Then I came so hard that I screamed out loud and I felt my juices squirted onto her face. She spanked my ass hard one last time and then she made me lie on my back. She licked my juices flowing down my thighs and licked my pussy clean. Slowly she lay between my legs and kissed me. I licked my cum off her face and kissed her shiny lips again deeply.

Then she raised her head and gave a naughty smile as I gave her a shy smile. I was hers from now on. She kissed me again and pulled a cool sheet over us. She lay on me. Her controlling body on top of mine. Our sweats mingling together. Her head on my breasts, her breasts on my belly, and her waist between my legs. As she slept on me, I slowly fell asleep myself, holding her tight against me for the rest of the night.

Naked, she got in between my legs and we kissed. She held my hands apart and kissed my breasts as she slowly rubbed her pussy against mine.

DON'T PAY, PLAY!

Puma called me and said she'd been having trouble getting her Yorki, Solo, back from Charles. He said since it was a present and she did not take care of it, he wanted it. Unfortunately, Solo could not tell me the truth, I had to bring them both into my office to hash it out. It started out kind of testy but I took over and made them realize that arguing wasn't the answer. That Solo and I would want them to make up.
